

## **WHY USE GLOBAL MISSIONS PROJECT?**

Begun as a not-for-profit music mission organization, GMP's first and foremost concern is the direct impact of lives through the use of the gift of music: GOING TO CHANGE LIVES AND CHANGING LIVES BY GOING all through the use of the international language of music. Over the last six years we have had the privilege of "building this bridge" for thousands of stateside Christian musicians from over 300 churches, nine denominations and 35 states, going to more than 25 countries worldwide.

## **WHY IS GMP A BENEFIT TO YOU?**

Simply put...we do EVERYTHING (hotel, air, ground transportation, etc.) for you at the same price you would find a "for profit" agency pricing only the travel segment of your project. Since we are a not-for-profit organization, our only goal is direct ministry impact.

## **PRE-QUALIFY REQUESTS FOR MUSIC GROUPS**

Each year our staff travels hundreds of thousands of miles throughout the world meeting with missionary partners to PRE-QUALIFY the more than 100 requests wanting to use music groups like yours. This process assures the compatibility among you the Music Leader, the musicians, and our Mission Partners such as International Mission Board missionaries. Understanding field strategy and how your group would connect in direct ministry is the single most important aspect of project planning.

## **SHARED VALUES...**

Our shared values and common mission provide a unique foundation for partnership with you.

## **GLOBAL CONNECTIONS...**

We have Mission Partners around the globe eager to use music in their outreach strategies. In addition, there are hundreds of requests for music groups from around the world waiting to be filled...adult choirs, orchestras, big bands, student choirs and more!

## **GLOBAL EXPERIENCE...**

In the last six years, we have logged countless miles developing partnerships around the world for the use of music in missions. We know the people and the place!

## **VOLUNTEER MOBILIZATION...**

Not only do we gather requests and develop partnerships for music teams around the globe, we actively seek teams to place into those requests and partnerships.

### **DETAIL ORIENTED...**

There's nothing more important in international ministry than the details. **GMP Project Managers** are a dedicated staff lead by Christ in their role--coordinating each detail for you from what you pack to each stop in your itinerary and all other ministry details.

### **TEAM COMMUNICATION...**

Team communication is paramount to a successful **International Mission Project**. Through the Online team communication system, **every project detail** is coordinated including:

- ALL team communications in one centralized area including updates from **Mission Partners** involved in your Project as well as from your **GMP Ministry Director**.
- A "what to expect and when to expect it" system that answers **all the questions** about your Project such as "When do I need my passport" and "What is our itinerary?"

### **ONLINE DONATION SYSTEM...**

GMP donation system designed for anyone and everyone to donate directly into a participants account, towards a specific project, towards a church or organization going on that project...all **TAX DEDUCTIBLE!**

### **PERSONAL PROJECT PAGE...**

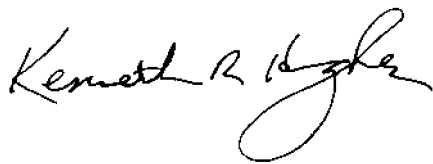

Your own **Project Team Home Page** with specifics including such things as air schedule, group itinerary, what to wear, what to pack, country details, ministry details, health concerns as well as **team communications** between **Ministry Leaders**, **GMP staff** and **Mission Partners**.

### **THE NEXT STEP**

Contact us for more information related to a specific ministry, pricing, time of year for **the Project**, etc. as we work to connect you and your **Team** to one of the **International Projects**. Our goal is to **establish our future Global Mission Connections** as soon as possible so please contact us right away.

We are committed to provide the best music mission **opportunity** for you and those you direct. Simply put, GMP takes the burden of qualifying a connection, developing the itinerary and ministry, organizing the travel and acting as the **communications center** from the time you decide to go until you and your **Music Team** returns.

May God bless you and your **ministries** as you **prayerfully consider** the global use of your talent in furthering the great commission through the use of music. One thing is certain: you will go expecting to change lives, but return with **your lives** changed!
