THE REQUEST FROM OUR MISSION PARTNER IN HALIFAX, NOVA SCOTIA, CANADA:

Come to one of the oldest cities in North America. Halifax has a rich history and is a major port city in Canada that was a pipeline for supplies to Europe during World War II. It is also the unfortunate witness to the one of the largest non-nuclear explosions in the world in 1917 called simply the "Halifax Explosion." Halifax is a city of about 400,000 people where only 2-4% would be considered evangelical Christians. It is a dark city spiritually, much in need of the light of Christ's Life. There is a great need for the lost and for the Christian community to come together as one.

PROJECT OBJECTIVE:

Living Hope Community Church in Halifax is inviting musicians who are passionate for the Lord and for the lost to come and work alongside a Christ focused Church that is engaging the city through various outreach events. Our objective is to use music as an evangelistic tool to love on and reach people in our city (and surrounding areas), with the love of Jesus.

PROJECT HIGHLIGHTS:

- Performing public school concerts
- Afterschool music workshops
- Evening concerts geared towards those who do not know Christ
- City wide worship concert to encourage Christians to simply come together and enjoy the love of Christ

COST:

The cost of this Project is based on transportation, accommodations, and can be divided into easy, multiple payments.
