### THE REQUEST FROM OUR MISSION PARTNER IN UKRAINE WITH HOPEHOUSE:

**HopeHouse** exists so that Orphans in Ukraine can become adopted by Christian couples within their country. Adequate housing is a barrier for most citizens and it is a government prerequisite for adoption. **HopeHouse** enables adoptions by addressing adequate housing needs which results in three or more children being given a family and a future.

### PROJECT OBJECTIVE:

Orphaned children will experience joy, laughter and love through planned activities, music, drama, recreation, presentation of the gospel message, distribution of Children's Bibles and gifts through the personal interaction with HopeHouse Mission Team members serving as the hands and feet of Christ.
