THE REQUEST FROM OUR MISSION PARTNER WITH THE APPALACHIA REGIONAL MINISTRY:

Our mission to this area is to meet the spiritual and physical needs of over 13 million un-churched people by providing ministries, evangelizing the lost, assisting existing churches and to start new churches in the multi-state region of Appalachia. We want to mobilize Christian musicians and their resources to help us reach this area for Christ. The Central Appalachia ARM works with 37 of the 100 poorest counties in the USA and you can make a difference!

PROJECT OBJECTIVE:

Our desire is to accelerate missions and to strengthen churches in Appalachia. We will assist strategies and processes to resource and accelerate mission's development, church growth, and the coordinated mobilization of mission's volunteers. The ministry's action plan is to cooperate with associations and churches in identifying mission needs and opportunities.

REGIONAL MAKE-UP:

The Appalachian Regional Ministry region includes parts of Georgia, Kentucky, Ohio, Maryland, North Carolina, Pennsylvania, South Carolina, Tennessee, Virginia, and West Virginia which are tied together by certain economic, political, and sociological factors, and mission's strategies.

COST:

The cost of this Project is based on transportation, accommodations, and can be divided into easy, multiple payments.
