### The Request from our Mission Partners

On behalf of churches in the San Juan Baptist Association in the Four Corners area of New Mexico we would like to invite you to come and partner with us to reach our communities for Christ. We will perform at a number of different locations at which we have ongoing activities. This is a great opportunity to minister to a broad audience of folks in a number of different congregations, churches and other settings. Both believers and non-believers will be in attendance at such presentations.

We believe this undertaking will be a valuable adjunct to our ongoing work and look forward to hosting you.

**New Mexico**

We also believe this will be a great opportunity to experience firsthand various cultural, ethnic and societal phenomena prevalent in the exciting land of New Mexico.

### Project Objective

Our desire for this Project is to have musicians perform in public settings to be a witness of
