THE REQUEST FROM OUR MISSION PARTNERS IN SCOTLAND:

Cathedrals, monuments, castles, stately halls of government, quaint villages ... when they have all crumbled, Christ will stand. The question is how many Scots will be standing with Him? When mission fields are mentioned, Western Europe is often the last place people think about. Most of the countries are very modern and wealthy. The people are educated and free. Cathedrals and beautiful churches dot the landscape; however, the people are in desperate need of the truth of Jesus Christ. We invite you to ask God how He would have you get involved in His work among the beautiful people of Scotland.

PROJECT OBJECTIVE:

Our goal is to present concerts throughout Scotland to encourage churches as well as pastors and Christian workers. The churches in Scotland are struggling and music is a great tool to draw large crowds. These community concerts will be designed to evangelize the lost, edify the believer, and exalt the savior.

PROJECT HIGHLIGHTS:

- Community Concerts
- Sharing Christ through one-on-one contact
- Visiting Glasgow, Stirling and Edinburgh
- Exploring Castles and Cathedrals
- Getting to know Scotland's people and culture

COST:

The cost of this Project will range from \$2,700 - \$3,150 and includes breakfast, transportation, accommodations, and can be divided into easy, multiple payments.
