THE REQUEST FROM OUR PARTNERS IN ISRAEL:

The needs are great and the opportunities are unlimited. Won't you come and walk with us as we seek to do God's will? The Bible will become real for you as you see the word come alive. We want everyone to walk where our Lord walked and to learn more about all the Holy sites so that they have a deeper understanding of The Word. The Bible becomes more alive once you have visited Israel. Nothing opens doors faster in this part of the world than music! A team of musicians gives us the opportunity to enter into schools, universities, parks and into the hearts of people. You will offer concerts that enable us to make multiple contacts in a relatively short amount of time.

Our desire for this Project is to have musicians perform in public settings to be a witness of the Christian faith and support our work in Israel.
