### THE REQUEST FROM OUR MISSION PARTNER IN SEVILLE, SPAIN:

Christopher Columbus began his journey of discovery from this beautiful city. Come visit this city and get to know it's rich history as you help the 99.5% of the people of this city who do not yet know Jesus Christ, discover a personal relationship with Him. In a country where few would know or have an evangelical Christian among their circle of friends, we are praying that one day every person in the city would be just one friend away from a relationship with Christ.

### PROJECT OBJECTIVE

Nothing opens doors faster in this part of the world than music and the arts! A team of musicians gives us the opportunity to enter into public schools, universities, parks and into the hearts of the people of Seville. You will offer concerts and other larger events that enable us to make multiple contacts in a relatively short amount of time.

### PROJECT HIGHLIGHTS

- Concerts in Public High Schools
- Teach English or Music in Public High Schools
- Concerts in local Churches
- Concerts in Public Parks
- Concerts in Restaurants and Clubs

### COST

The cost of this Project is based on transportation, accommodations, and can be divided into easy, multiple payments.
