The Request from our Mission Partners

Malaysia, a country of 26 million people, is located within a 5 hour flight radius of one half of the world's population. In the past it was said that "whoever controls the Straits of Melaka (the location of Malaysia) controls the world". Malaysian's diverse culture is composed of ethnic Malaysia who is Muslim, Chinese who are largely Buddhist or Taoist, and Indians who are predominately Hindu.

Music groups coming will share in churches, mentor and model for local musicians, and have the opportunity to share in a variety of settings and locations.

Kuala Lumpur, Malaysia

Project Objective

Music is the universal language and coming to Malaysia will give your musical group or an ensemble the opportunity to share your faith through the medium of music.

Project Highlights

Share the gospel in churches at different locations in Malaysia - churches are eager to have music groups come to teach, encourage, and share with them.

Meet and make relationships with national believers as well as non-believers from all of the world's major religious traditions – Hindu, Muslim and Buddhist.

See the beauty of a country that is strategically located in the middle of over one half of the world's population.
