The Request from our Mission Partners

Portugal is a country with a rich history. Once a world power, it is now the poorest country in the European Union. Portugal is a post-modern secular culture with an overlay of cultural Roman Catholicism. It is only about 1% evangelical and has never been much more than that. Western Europe is less responsive to Gospel than the many parts of the world where Christianity is openly persecuted. The IMB team in Portugal is seeking to initiate a church planting movement among Portuguese people and the many immigrants who live here. Music is an ideal media to initiate relationships in which the Gospel can be shared.

Project Highlights

Prayer walking target neighborhoods

Performing in outdoor venues

Assisting in follow-up projects that will initiate ongoing relationships

Getting to spend time in one of Europe's more historic cities

Getting to know Portugal's people and culture

Project Objective

The goal of this project is to use music groups to perform in parks, plazas, and other outdoor venues to attract crowds in neighborhoods where the Lisbon IMB team is planning church starts. Our goal is to meet people, create visibility of our nonprofit organization, develop relationships and start projects that will enable us to start small groups that will then lead to church starts.
