THE REQUEST FROM OUR MISSION PARTNER IN ROMANIA:

Romania is a very musical nation and the people are very open to Spiritual things. We believe that God will use Romanians to reach Europe for Him. We minister in churches, cultural halls, Universities, Music Schools, and Prisons. Coming to Romania and Europe with a music ministry will assist our work by:

- encouraging existing churches and help our evangelistic efforts
- impacting universities and government officials by bringing a fresh spirit
- build up the Christian witness in different cities of Romania
- bring a relevant, clear message of the Gospel to a nation which is in search for models
- changing the people's mentality that America has only Hollywood and movies to export

PROJECT OBJECTIVE

A Mission Project could potentially reach thousands of people.

Church ministry - We will bring believers and non-believers together and perform and also preach a clear Gospel message. Government officials will participate.

Public Schools ministry - We will perform for all kinds of students - Elementary schools, High schools, Universities.

Orphanages - a great place to minister. Just performing few songs for those people that have no hope will bring them joy.

Prison - we work with different prisons in Romania - one of them being the largest one. We could arrange for the group to have a concert in one or two prisons in Romania.

PROJECT HIGHLIGHTS

Romania is a beautiful country with mountains and lakes, valleys and rivers, castles and the Parliament's Palace in Bucharest. Great people and good food will be a wonderful experience for the team. You will visit the Revolution sites in Timisoara. We could also make a short trip to Serbia (just two hour drive) and minister to Serbian churches in one concert. You will meet pastors, church leaders, Gypsies and Political leaders, bringing a message of love, unity, hope and excellence to Romania.

COST

The cost of this Project includes transportation, accommodations, Project Development insurance, and can be divided into easy, multiple payments.
