REGIONAL MAKE-UP

The Navajo Reservation extends into the states of New Mexico, Arizona, and Utah, covering 27,000 square miles and 15 million acres. The Navajo land is larger than 10 states of the 50 states in the US. Navajo land is a desolate section of the Southwest with over 250,000 people. The unemployment is more than 35%. Over 80% still speak the complicated Navajo language.

PROJECT OBJECTIVE

Our desire is to introduce Jesus Christ to the people of northwest New Mexico through Christian music. We need to help the church:

1. Get out to the people
2. Connect with Community Programs
3. Connect with Community Leaders
4. Provide special events in Farmington and Shiprock

Also, we want to mobilize Christian musicians to spread the word of Christ to the native Navajo people and help them realize that Christ died for them.

- Aztec Ruins
- Monument Valley
- Music Camp
- Shiprock Pinnacle
- 4 Corners Monument

COST

The cost of this Project is \$995 and includes ground transportation, breakfast, accommodations, insurance, Project Development, a GMP Travel Leader and can be divided into easy, multiple payments.

GMP shall use reasonable efforts to minimize or eliminate any increase, but Participant understands, acknowledges, and agrees that costs may increase.

Support checks should be made out to Global Missions Project, Inc., and should make reference to the mission trip project name or ID (not referencing a given trip participant). In order to guide your fund-raising goals so that your missions project's costs are covered, the following is a timeline showing when certain costs must be met:

Application Fee by January 1, 2011: \$150 non-refundable/non-transferable

By March 1, 2011: \$425 per person

By May 1, 2011: Balance Due of \$420

This Agreement is not effective unless accepted by GMP, below, and is subject to the Terms and Conditions which follow and which are incorporated herein. No verbal representations or Agreements are binding unless included in writing with this Agreement. By signature below, Participant acknowledges that he/she has read, understands and agrees to the contents of this Agreement and agrees to be bound by the Terms and Conditions, including any Rules and Regulations of GMP. Notwithstanding any arrangement, Participant shall be responsible for payment in full of all amounts payable to GMP pursuant to this Agreement.

ACCEPTANCE OF AGREEMENT: All of the terms of this Agreement are considered accepted by the Participant five (5) days after GMP receives the first deposit, whether or not this Agreement is actually signed by either party.

II. TERMS AND CONDITIONS

1. DONATIONS AND COSTS

1.1 Donations. All donations by participants and other donors are NON-REFUNDABLE due to the issuing of tax receipts that may give rise to deductions as permitted by applicable law. All donations should be made out to Global Missions Project, Inc. ("GMP").

1.2 Costs. From time to time, additional costs, over and above those set forth in the Fund-Raising Schedule, may be required to cover the costs of a project. 100% of all applicable costs (whether initially contemplated or considered additional) must be raised by participants for the project at least 45 days prior to departure date in order for full participation to be possible.

1.3 Additional Costs Caused by Participant. Any additional costs incurred by GMP which are directly caused by a Participant's change of plans must be paid by Participant at GMP's discretion.

1.4 Application Fee Cost. A \$150 application fee is required to be paid or raised to complete the application form and is considered part of the target amount to be raised by each Participant.

2. SCOPE OF PROJECT

GMP's Project generally includes scheduling Project travel and accommodation arrangements from and returning to the US airport of international departure, and paying certain costs associated with those arrangements. All other goods and services will not be provided or arranged by GMP and must be paid by Participant separately. These goods and services include, but are not limited to, the following: domestic travel to US point of international departure, local public transportation charges, tips to local guides, meals or beverages other than those noted, expenses of a personal nature such as laundry, telephone, valet, etc., porters for hand-carried luggage, passport and visa fees, free time activities and optional excursions, and certain coach driver and guide/escort gratuities.

3. CANCELLATION

In the event that a Participant cannot go on a scheduled trip and has raised some or all of the funds covering the costs of the project, then GMP will use these funds to support other trip expenses and organizational costs as determined by it.

4. FAILURE TO COOPERATE ON THE PART OF A PARTICIPANT

Participant agrees to abide by all Rules and Regulations of GMP, a copy of which has been furnished to Participant and is incorporated herein. The Participant understands that it is GMP's desire to have each Participant fully participate in his or her Project, but that even when a Project has not been cancelled and Project costs have been covered, certain actions or inactions by Participant may result in an immediate cessation of Participant's involvement in the Project, including, but not limited to: (a) any violation of the Rules and Regulations of GMP, (b) failure to communicate and/or cooperate with GMP in arranging or carrying out the Project, or (c) failure to comply with other reasonable expectations of GMP regarding proper conduct and behavior of participants.

5. ARBITRATION

Consistent with Matthew 18, any claim or dispute between the parties concerning questions of law or fact or both arising out of or relating to this Agreement, its interpretation or performance, or its alleged breach, which is not disposed of by agreement of the parties, shall be resolved by binding arbitration in Atlanta, Georgia by and under the rules of Peacemaker Ministries (or its successor) except as such rules are modified here. Those rules are currently published at www.peacemaker.net. The parties covenant to keep such questions and arbitration proceedings confidential except as necessary to effectuate and/or enforce arbitration. The parties covenant and agree that they will not sue or otherwise bring actions against each other in any courts, that arbitration is their sole and binding remedy, that they waive their rights to sue or to appeal or to other remedies (except to the extent necessary to enforce the final award or finding), and that if this covenant not to sue and waiver are not legally effective then such arbitration is a prerequisite to any other remedy. The parties covenant and agree to abide by, perform, accept, and fulfill the final award or finding concerning such questions without recourse to any other court or tribunal, except to the extent necessary to enforce said final award or finding.

6. ATTORNEY'S FEES

In the event of any legal or arbitration action or proceeding brought by either party against the other arising out of this Agreement, GMP shall be entitled to recover reasonable attorneys' fees incurred in such action in the event the outcome of any such determination is in favor of GMP.

7. MISCELLANEOUS

This Agreement may be amended only in writing signed by the undersigned parties. It binds and benefits the heirs and estates of the individual parties, and the successors of the corporate parties, and may not be assigned. It is governed by the internal laws of Georgia (even if applicable conflict of law rules would provide otherwise). Its terms are not severable. Its rights and remedies are not waived by exercising only some but not all of them. It contains the entire agreement between the parties, superseding any oral statements or prior written agreements, and execution has not been induced by any promise or representation of any person. It is effective upon complete execution. It shall not be strictly construed against any party. Time is of the essence. The parties warrant that non-individual parties have executed this Agreement by their duly authorized representatives, and that individual parties have full capacity to execute this Agreement.

8. TRAVEL CONDITIONS

8.1 Hotels. Hotels arranged by GMP will be 2 or 3-star tourist-class hotels. Double occupancy rooms are the standard room utilized. The operator or each hotel has represented to GMP that each room has private lavatory facilities, including a shower or bath. Participants who require single-room accommodations should inform GMP and the group leader as soon as possible, but such requests will result in additional costs to the Project and may be unavailable.

8.2 Fluctuations and Substitutions. Substitutions may be allowed subject to the terms of the Third-Party Agreement, and may result in additional costs.

8.3 Rooming List and Late Changes for group leaders.

Rooming lists must be received by GMP no later than forty-five (45) days prior to departure. Late changes in the rooming list, including name changes, additions and deletions may also result in additional costs for the Project.

8.4 Flight Arrangements: To the extent possible, flights will be provided by scheduled carriers, with the routing and scheduling of all transportation during the Mission Project at the discretion of GMP. The price provided for the Mission Project in this Agreement is based on mid-week travel and airfare in effect on the date of scheduling. Any increase in airfare must be raised by the Project participants. FULL LEGAL NAME as it appears in your passport is required no later than 90 DAYS prior to departure.

8.5 Deviation from Flight Itinerary. Requests may be accepted from participants wishing to deviate from the group flight itinerary if received in writing at the time of registration or 120 prior to departure; provided that GMP does not guarantee that any such request will be honored and Participant acknowledges participants and Participant may receive more favorable service and fares with respect to deviations if they make these requests at the time of registration or 120 days before departure. Participant shall pay any additional costs and administrative expenses relative to such a request to deviate from planned group departure and return. The Third-Party Agreements may, among other things, restrict the number of deviators the group is allowed. NO DEVIATIONS WILL BE MADE WITHIN 90 DAYS FROM GROUP DEPARTURE.

8.6 Equipment and Luggage. Luggage, including, without limitation, equipment, above normal luggage capacity established by the particular carrier and the transportation for such equipment is not included in the price set forth in this Agreement and may be subject to additional charges as required by the carrier providing such transportation.

9. BEHAVIOR

As already noted above, Participant acknowledges that this is a Mission Trip and agrees to personal and group conduct consistent with Christian based morality and theology and in accordance with the Rules and Regulations of GMP. In addition, Participant acknowledges and agrees that GMP has the right to refuse participation to any Participant that is not in "good standing" with his current church. Participant agrees to the goals and objectives as defined by GMP concerning this Mission Project.
