THE REQUEST FROM OUR MISSION PARTNER IN CANADA:

Come and check out the oldest English founded settlement in North America. It is home to many unique historical landmarks such as Fort Amherst, the Battery, and Cape Spear. Also, you wouldn't want to miss taking in the sights and sounds from Cabot Tower, where the first transatlantic wireless message was received in December of 1901. You will get a breathtaking view of the harbour and the city from there. St. John's metropolitan area is a city of about 200,000 people. There has been little receptivity to the gospel across the island. It is our prayer that you will come and plant seeds, proclaim the gospel, and portray the mystery of Christ's love. There is a great need for more bible-believing, Christ-exalting churches to be planted across the island.

PROJECT OBJECTIVE:

New Life Newfoundland Ministries in St. John's is inviting musicians who are passionate for the Lord and for sharing the gospel to the lost to come and work alongside us as we engage the various communities through various outreach events with the purpose of sharing Christ and glorifying God.

PROJECT HIGHLIGHTS:

- Joint concert with musicians in Ferryland
- Evening concerts geared towards those who do not know Christ
- Worship Concert to encourage Christians
- Concert for New Life Fellowship (*our morning worship service*)

COST:

The cost of this Project is based on transportation, accommodations, and can be divided into easy, multiple payments.
