THE REQUEST FROM OUR MISSION PARTNER IN JAPAN:

Japan is a busy bustling city of 33 million people! IMB Tokyo Team wants small ensemble groups of 4-8 to come and perform at train stations, in parks, and other venues where people are out and about. As crowds gather, volunteers will look for opportunities to share Christ with those who have come to watch. Performances will be done outside and not in concert halls or other professional venues. The heart of our vision for reaching Tokyo is through relationship evangelism. As the Lord brings folks into our paths, we will share our testimony and look for opportunities to share Christ.

COST:

The cost of this Project is based on transportation, accommodations, and can be divided into easy, multiple payments.
