THE REQUEST FROM OUR MISSION PARTNER IN UKRAINE:

We need instrumental teams to partner with us in multiple locations where new churches are in various stages of development. These opportunities help to share the gospel, and also to help Ukrainian church planters to gain credibility in the communities where they are planting new churches.

PROJECT OBJECTIVE:

Instrumental teams engage the lost community using secular music to connect and then share the good news of the gospel through personal testimonies from the musicians.

PROJECT HIGHLIGHTS:

- The opportunity to help in the planting of new churches in Ukraine
- The use of music as a means of bridging language and cross cultural differences
- Visit and see first hand one of the former Soviet Union countries

COST:

The cost of this Project is based on transportation, accommodations, and can be divided into easy, multiple payments.
