THE REQUEST FROM OUR MISSION PARTNER IN SAO PAULO, BRAZIL:

Brazil is a land of great contrasts: from steamy jungles to scorching dry lands – sprawling cities to primitive villages—skyscrapers to mud huts - the simple - the cultured arts

First Baptist Church in São José dos Campos is a church with a heart to reach ALL of Brazil, from the youngest to the oldest, the rich to the poor. Music is a tremendous key to bridge the gaps. Come share with us your musical gifts and talents. Come help us share the love of Jesus Christ to all. Come!

PROJECT OBJECTIVE:

Our objective is to use music as an evangelistic tool to reach a segment of our city, and surrounding areas, with the love of Jesus Christ. This will be accomplished through workshops (beginning, intermediate, and master levels) special presentations, and public performances.

PROJECT HIGHLIGHTS:

To join with the First Baptist Church musicians and orchestra, along with other local musicians, in schools, hospitals, parks, factories, churches, and other areas presenting a wide variety of music and song. Radio and television appearances may be arranged. You will have personal contact with many local musicians. A full public concert will culminate the project, a special time for all.

COST:

The cost of this Project is based on transportation, accommodations, and can be divided into easy, multiple payments.
