3. To undertake Community Health Development and advocacy through educational and health related programmes

### THE REQUEST FROM OUR MISSION PARTNER IN CAPE TOWN:

God is working and doing amazing things in the lives of people in Cape Town. This diverse population and culture has a longing for "something more," and the "new" South Africa has not brought about change everyone expected. Only Jesus can fill the emptiness and the opportunities to share God's love, hope, compassion and purpose are available now more than ever. We need you to join us as we seek to impact hell for heaven's sake.

Radio CCFM was born of a vision to share the gospel with the community. It has been greatly used to bring churches and church leaders together. Our evangelistic broadcast is live 24/7 at [www.CCFM.org.za](http://www.CCFM.org.za).
