Living Water

Therefore, go and make disciples of all the nations . . . Matthew 28:19

The Request from our Mission Partners

We have built relationships with many churches and institutions in order to share the gospel. The people of Nicaragua and Jinotega are very open to the gospel. Through the years we have seen hundreds accept Christ and be discipled and ministered to as a result of the many connections that we have including Water Missions International. It would be a special blessing to have a group go and help them celebrate the "Living Water" through a festive concert. The Music School presents a unique opportunity to share the gospel, as it is a municipality- run entity that accepts students both relatively well off and poor. It is well known throughout the region, and we have worked hard to supply them with instruments that can allow more students to attend. For many, this is the only school that they can afford to attend. God's hand has been

on the entire relationship with this community and God has opened new doors and strengthened existing ties. This presents a unique opportunity to demonstrate the love of Christ through word, song, music and deed.
